

2nd Annual Southeastern Neonatal/Pediatric Nutrition Conference

MORE THAN JUST GROWTH: The Far-Reaching Effects of Nutrition

Friday, November 14, 2014 • 8am-4pm

The Terraces on Sir Tyler • Wilmington, North Carolina

CONFERENCE DESCRIPTION

The Annual Southeastern Neonatal/Pediatric Nutrition Conference is designed to provide updated, advanced and practical approaches to contemporary issues in pediatric and neonatal nutrition. This activity will provide unique opportunities to learn, share and investigate new ways of assessing and managing pediatric patients with complex nutritional needs.

CONFERENCE OBJECTIVES

At the conclusion of this live educational activity, participants should be able to:

- Identify current evidence-based nutritional impacts on allergic disorders, autism, and ADHD
- Recognize evidence-based testing on allergic disorders
- Recognize environmental contributors and their effect on neurodevelopmental disorders

TARGET AUDIENCE: *Pediatricians, Neonatologists, Neonatal/Pediatric/Family Nurse Practitioners, Dietitians, General Medicine, Pediatric Gastroenterologists, RNs, LPNs, APRNs, Physician Assistants and Pharmacists*
